# About *4AllAble Platform*

Develop a sustainable, innovative, and unique online business platform calls “*4AllAble*” for person with disabilities (PWDs) providing information for accessible tourism/destination, job opportunity, education, sports, art, news, event, market place for PWDs (equipment, products, services), and entertainment for inclusive society.

# Vision

## 4AllAble *Platform*

“ ACCESSIBLE  
ENJOYABLE  
INCLUSIVE ”

# 4AllAble *Platform*

An online platform in IT field for person with disabilities (PWDs) with the key concept of inclusive business.

# *PART.1*

## Accessible TOURISM

Data collection, retrieval, and sharing information for accessible tourist destination by 4AllAble users in the concept of “*TripAble*”

The main information includes: accessible destination, hotel, restaurant, toilet, park, transportation, and public access points.

# *PART.2*

## Online Market Place

eCommerce marketplace about products and services for PWDs, buy/sell by PWDs, shops or companies where transactions are made in 4AllAble Platform in the concept of “*BuyAble, SellAble*”

Product includes: package tour, accessible equipment and services, local products, souvenir, etc.

A person in a wheelchair is shown in the foreground, wearing a green shirt and a cap, holding a tennis racket. In the background, another person is visible on a tennis court. The image is overlaid with a large, semi-transparent purple and red geometric shape.

# *PART.3*

## Sports & Entertainment

Online community for learning and sharing adaptive sports, arts, news, and all related entertainment contents that PWDs involve in the concept of “*SportAble, ArtAble, LifeAble*”

## ***PART.4***

# ***Job Market & Opportunity***

Develop a job matching system to increase the opportunity for PWDs to find their interested job and be a unique job searching network for both PWDs and employers in the concept of “***JobAble***”

# *PART.5* Education

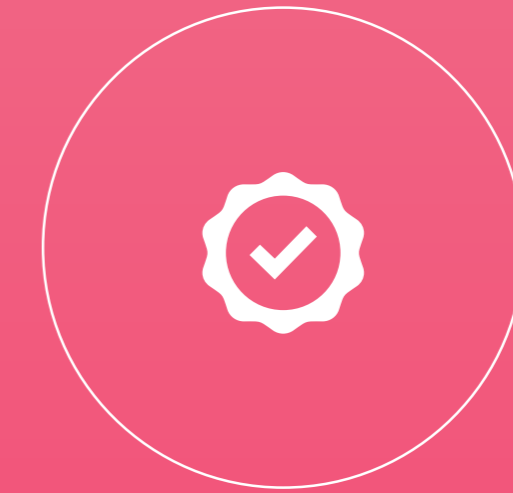

Online learning course and knowledge management service where PWDs can share and learn from other PWDs or experts in the concept of “*LearnAble*”

A faint, stylized lightbulb icon with radiating lines, set against a dark blue background with a circular pattern.

## *PART.6* Technology & Innovation

Always invite PWDs and everyone who have the same passion to learn and share new advance technology to increase the opportunity in doing IT business in the concept of *“BusinessAble, TechAble”*

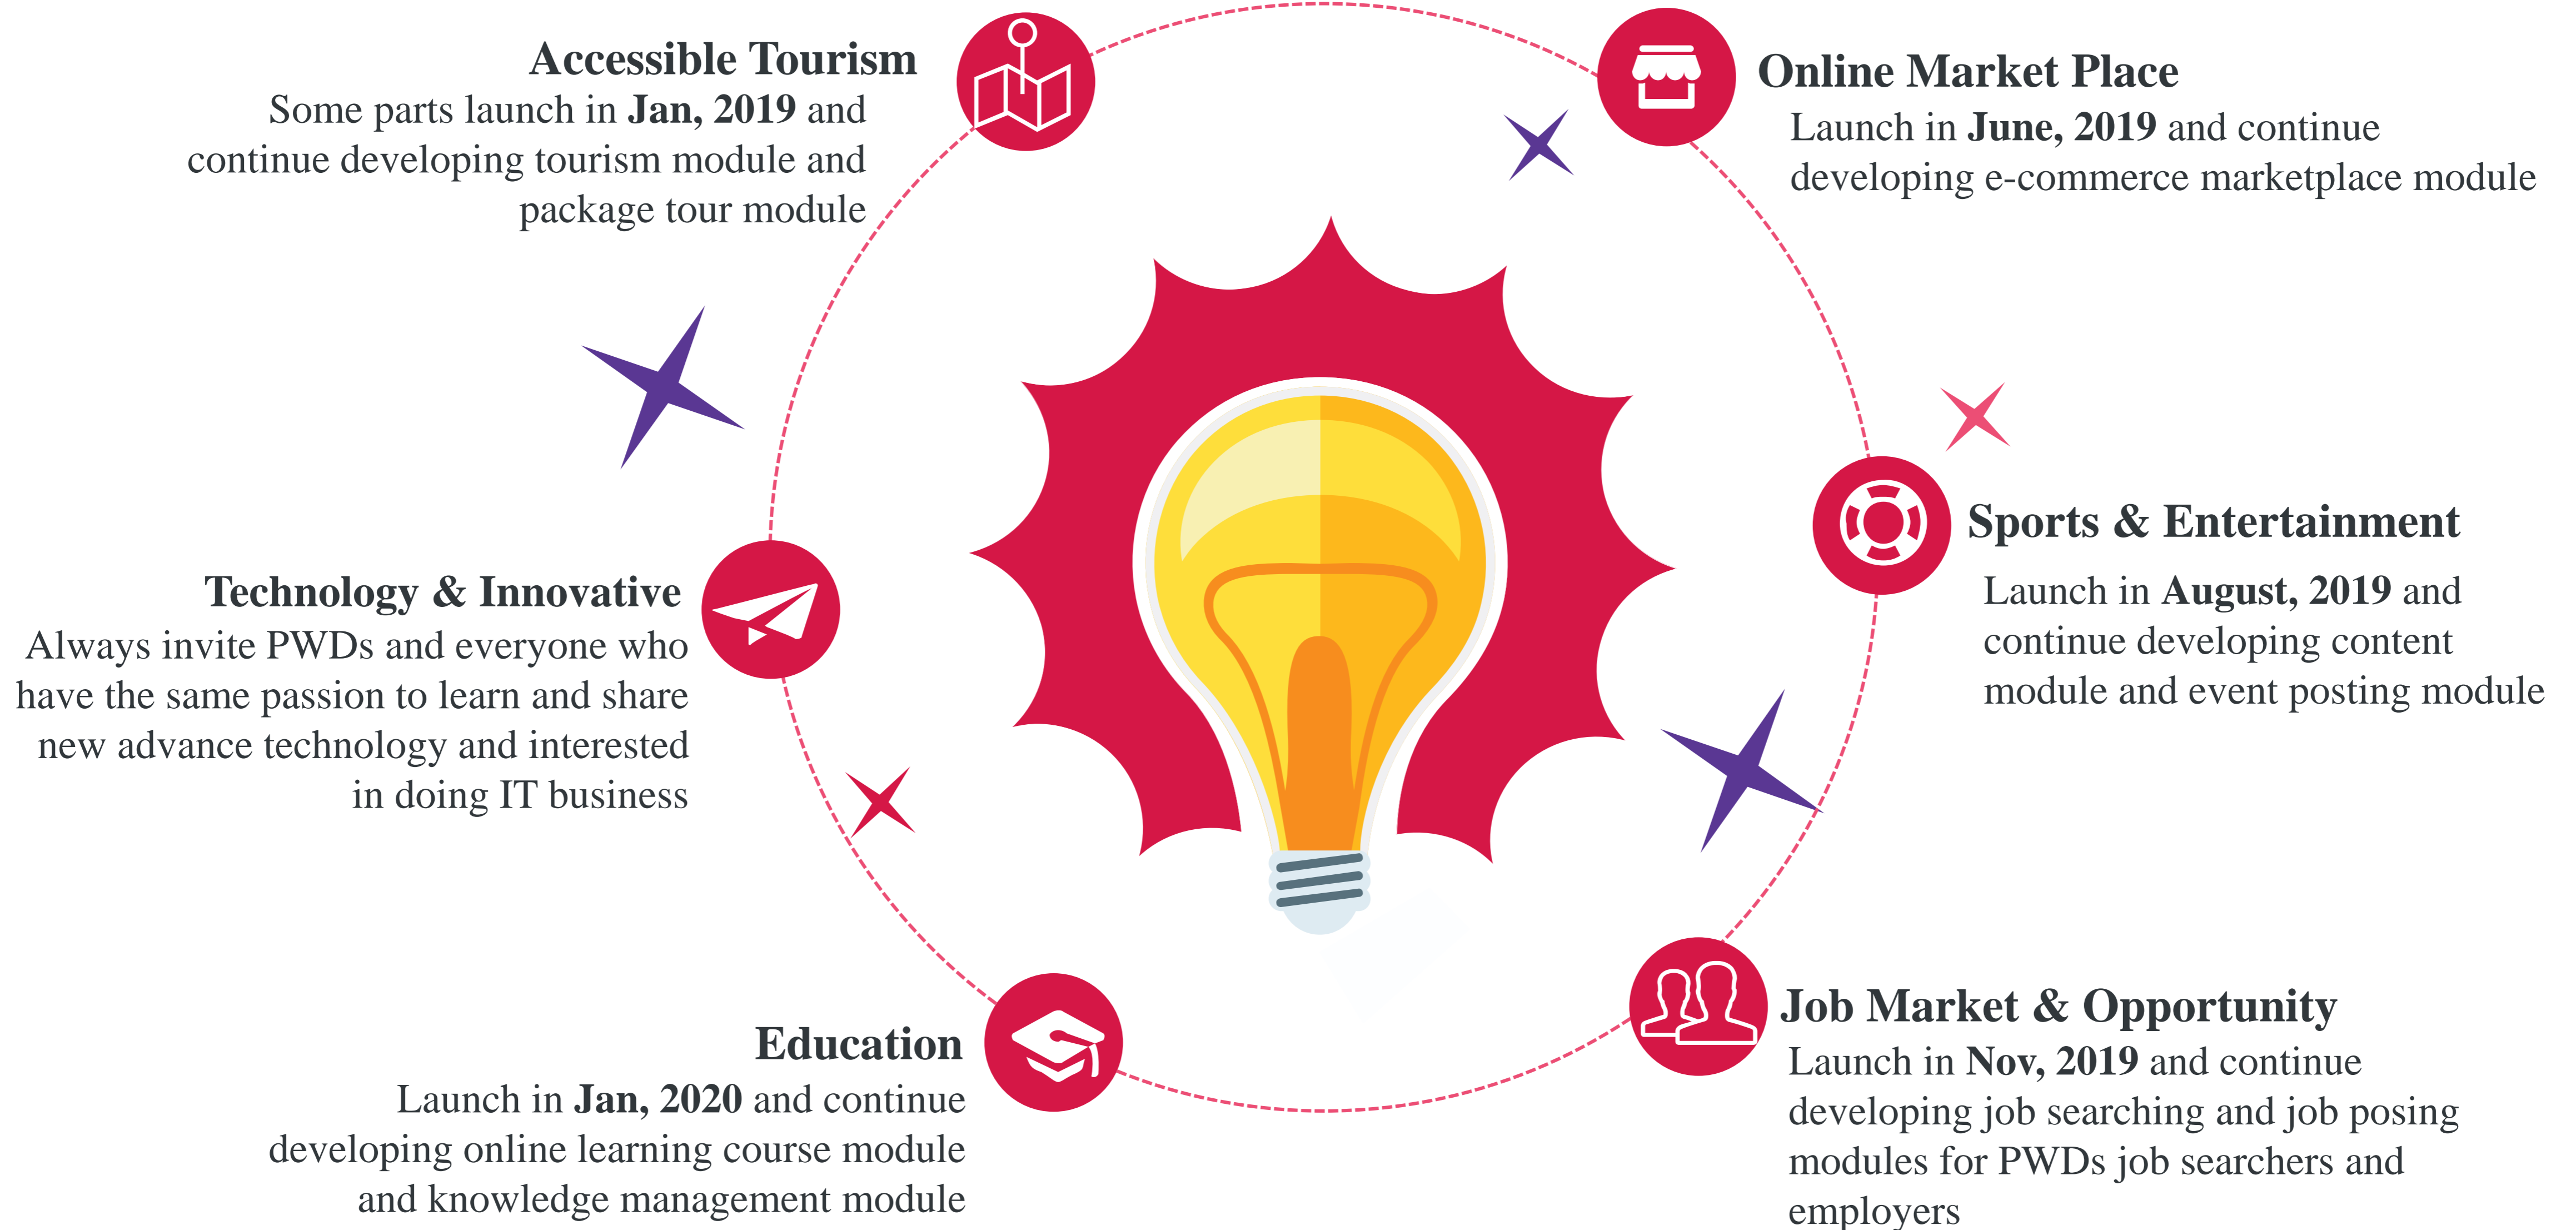

## *Difficulty*

- Prove idea and business plan

## *Challenge*

- New to business
- Learn new technology
- Execute the idea

# Achieve **OUR** *Goals and Future Plan*

## *Message to all PWDs*

- Let's share beautiful contents we have
- Let's make data more accessible to life of PWDs (open data/destination)
- Lets' data assist PWDs for more freedom and more inclusive life in society

# Questions

Happy to hear from you
